

COMB ON! LET'S HURRY!
Where?

To the beach I made!
Come and see!

STEP-MOM ONCE QUOTED "You don't
have a soul - you are a soul; you have a
body."

I loved that!

(sand)

(water)

Since then, there's been
something I wanted to do.

"RIGHT BACK!"

CHANGING
LOCKER

My family doesn't fully
understand, but they love
me and support me!
